**BAY VALLEY MEDICAL GROUP CELEBRATES  
ONE YEAR IN NEW OFFICE**

**CASTRO VALLEY, CA** – Serving Castro Valley for more than 12 years, Bay Valley Medical Group celebrates one year in its new office this year. Bay Valley Medical Group expanded services in their new Castro Valley office in 2007 by relocating to 20126 Stanton Ave, Ste 201. The new office offers internal medicine, obstetrics/gynecology, pediatrics and podiatry for its patients in the San Leandro, San Lorenzo, Castro Valley and Hayward communities. Office hours are Monday through Friday 8:30am to 5:30pm, phone (510) 581-2559.

Castro Valley's medical staff includes Dr. John Nackley, pediatrics, Dr. Ronald Hull, podiatry, Dr. Richard Ho, internal medicine and Drs. Suman Veeragandham and Kala Chandler who both specialize in obstetrics and gynecology. Dr. Richard Ho joined Bay Valley Medical Group earlier this year after 25 years of private practice in the community.

"The community has enthusiastically embraced our expansion, as demonstrated by the increase in the number of patients the office is serving," said Eric S. Kohleriter, M.D., Bay Valley Medical Group's president and medical director. "We look forward to continuing to meet the health care needs of Castro Valley, San Leandro and San Lorenzo residents."

Since 1954, Bay Valley Medical Group has provided compassionate care and service to its patients through partnership with physicians, hospitals and health plans. It is one of the oldest multi-specialty group practices in Alameda and Contra Costa Counties, and one of only a few in northern California that remains physician-owned and governed. The medical group has four practice sites--in Hayward, Pleasanton, Danville and Castro Valley. Bay Valley Medical Group also offers a network of over 350 physicians practicing throughout southern Alameda and Contra Costa counties.
